Our Mission is to improve oral health for Arizonans, particularly the underserved and uninsured

With the Foundation's support:

- Nonprofits, clinics and schools across the state received 34,000 toothbrushes, floss and paste.
- More than 4,600 students received sealants, a thin plastic coating applied to the back teeth to protect them from decay.
- Del E. Webb Dental Outreach Program replaced old, broken portable equipment in order to provide oral health care to homebound, institutionalized and disabled populations in locations throughout Coconino County.
- St. Elizabeth's Health Center in Tucson expanded dental care to the Flowing Wells neighborhood three days per week to serve 1000 new uninsured children, adults and seniors annually.

What is a tax credit?

A tax credit reduces your tax liability dollar-for-dollar. In other words, a tax credit comes right off the top of your state tax bill, lowering the amount you will pay or increasing your refund.

How do I qualify?

- You must itemize your charitable contributions in the tax year the deduction was made.
- Make a donation to Delta Dental of Arizona Foundation and itemize your deductions.

Does this tax credit affect the private and public schools tax credits?

No. The Working Poor Tax Credit may be taken in addition to the public school and private school tax credits.

Do I have to give \$400 to get the credit?

You may receive an Arizona state tax credit of up to \$400 if you are married and filing jointly, or \$200 if you are married and filing separately or a single taxpayer or head of household. But, any amount less than \$400 (married) or \$200 (single) still qualifies.

Where can I get more information?

Information can be found at the Arizona Department of Revenue website: www.azdor.gov/brochure/710.pdf or by calling Taxpayer Assistance at 602-255-3381 or 800-352-4090.
